Sand Harbor is one of the most visited spots in all Lake Tahoe, for good reason. Once you get to Sand Harbor, you will find the view spectacular, and will want to take a ride on our **SeaDoo GTI SE**. As you ride our Jet skis onto Lake Tahoe's crystal clear waters, what you once thought to be spectacular turns into an **experience of a lifetime**.

Directions

From South Shore:

Take Hwy 50 east and right before Spooner summit turn left onto Hwy 28 and enjoy the 8 mile drive to Sand Harbor.

From the North Shore:

Take Hwy 28 through Incline Village and continue to drive 3 miles to Sand Harbor.

Crystal Bay encompasses CalNeva Point to Sand Harbor.

**Located on the yellow boat
in Crystal Bay and
Sand Harbor's Motorized Bay.**
